

Making a difference: activity

This activity will help you practice what you learned in the 'Making a difference' exercise.

Meet Charlie

Charlie lives across the city from the store where they work. Charlie doesn't drive and they don't feel safe biking on busy roads, so they take the bus to work. But the bus takes a really long time and sometimes it's delayed. Charlie wishes the city had more bike lanes so they could bike to work quickly and safely.

Make a plan

If you want to make a big difference at work or in your community, it helps to make a plan. Start by helping Charlie make their plan to make a difference in their community.

Charlie's plan
Charlie's problem:
Charlie's goal:
What can Charlie do right now?
Who can Charlie talk to right now?
What's something Charlie can do in a few weeks or months?

Now think about a difference you want to make. Use these questions to help you make your plan.
