

Introducing a new series from

UP Skills for Work

The *Get Started* series presents popular topics from the original *UP Skills for Work* series, adapted for learners reading at a grade 2-4 level.

- Topics include:
- | | | | |
|--|----------------------------------|--|--------------------------|
| | Adaptability | | Numeracy |
| | Collaboration | | Problem Solving |
| | Communication | | Reading |
| | Creativity and Innovation | | Stress Management |
| | Digital | | Writing |

Book a free workshop and you'll receive:

- Printed workbooks for your learners
- Access to online facilitator training
- An honorarium of \$25 for each workshop delivered
- Support from our team of coordinators and facilitators
